

2024-2025 Season

Wild and Wise offers a seasonal herbal CSA, which includes **4 packages** per year, delivered throughout the year. Our products are ever changing and inspired by the season's harvest, with our overall goal being the use of LOCAL & ABUNDANT HERBS! Wild and Wise CSA packages include handmade herbal products, an educational newsletter (printed & digital copies) discussing each product, and often an additional educational article written by a fellow herbalist. Items in a typical package may include, but are not limited to, tinctures, honeys, syrups, body products, teas, cordials, elixirs, culinary herb blends, etc.

CSA Full Memberships are \$300, tax included. **CSA Mini Memberships are \$150**, tax included.

Being a member will save you money per package and guarantees you a CSA package each season.

Members also receive a 15% discount on additional products purchased on our website.

(discount not applicable for CSA memberships or CSA packages/products).

We do have a limited number of spaces available, so sign up early!

By supporting Wild and Wise Herbal CSA, you are supporting a small, local, woman owned business, the local cultivation of herbs, and your own well being. Stock your herbal medicine cabinet with local handmade herbal products!

THANK YOU for supporting Wild & Wise Herbal CSA.
